Welcome to TomWelling.com, an online tribute to actor Tom Welling and his wonderful career. If you are looking for a site to give you 100% nothing but Tom, you've come to the right place. Though Tom is an extremely handsome man, we are here to first and foremost focus on his talent and career. We respect Tom, his family and his privacy, and do not approve nor take part in stalking or prying into his private life... which includes the display of paparazzi photographs.

After they leave their engagement party, Chloe (Allison Mack) and Jimmy (Aaron Ashmore) are abducted by a psychotic jeweler (guest star David Lewis) who was emotionally scarred by his wife's infidelity and is now kidnapping couples and subjecting them to a kryptonite-enhanced lie detector that shocks them if they lie. The abductor asks Chloe if she is in love with anyone else. Meanwhile, in an effort to find Chloe and Jimmy, Clark (Tom Welling) and Lois (Erica Durance) pose as a couple and are kidnapped themselves then, asked how they feel about each other.
